SIXTY-SIXTH YEAR—Number 15 | UPLAND, CALIFORNIA | PRICE 10c Single Copy | Thursday, June 30, 1960

SHORT VACATION. Leisure days were over Monday for nearly 1,000 school students in the Upland and Cucamonga areas. At Upland High School a seven weeks summer session opened with morning classes for about 750 freshmen through seniors. Here Trinie Ybarra, a senior, junior Ann McGivney and senior Rita Tomazin attend a sewing class.

TRADITIONAL BRUNCH isn't forgotten by Upland High summer school students. They pause for a short break in the middle of their morning schedule. In many instances students are enrolled in four hour courses.

Traffic Officials Seek Good Mark

Upland police and safety officials are hopeful West End residents will come up with another enviable traffic record to match that of Memorial Day when the long Fourth of July holiday begins Friday afternoon.

There were no traffic deaths in this immediate area during the summer's first lengthy weekend while in Upland not a single accident was reported.

Traffic is expected to hit a year's peak for the annual Independence Day celebration as residents look for cooler weather in which to enjoy the mid-summer three-day holiday or travel to Ontario for the annual All-States Picnic.

Knight To Introduce Wilkie At Luncheon

Former governor Goodwin Knight will introduce Phillip H. Wilkie to an expected crowd of 1,000 next Wednesday noon during a reception and luncheon at Upland College, sponsored by the Upland Rotary Club.

Knight and Wilkie will arrive at Ontario Airport from Los Angeles about 10 a.m. and will be met by outstanding educators and prominent citizens from nearby communities.

The two Republican leaders will then head a caravan to the college, west on Holt Blvd. to Euclid Ave., north on Euclid to Arrow Hwy.

Knight will be introduced

PHILLIP WILKIE

by Dallas Richins, Rotary program chairman.

Wilkie's topic will be "The Standards of Education in our Nation versus Those of the Soviet Union." The public is invited.

Immediately following the luncheon Wilkie will hold a press conference at Upland College and at 3:30 he and his party will be guests of Mayor Abner Haldeman at a coffee break reception to be held at Neva's Cafe.

After leaving Upland, Wilkie will spend about 10 days in Southern California, making his headquarters at the Holiday Inn in Montclair.

The program at the college will be the regular Rotary meeting for the week and will be called to order by President Lyle Callow.

Center Developer Airs Charges Of 'Lobbying'

WELCOME TO UPLAND is extended to Warren (Bud) Leander of Chicago, new owner of Cal-Western Advertising, by Vic Zarley, who is retiring from the business Thursday to enter the ministry.

Firm To Try Again In July For Permit

Twice thwarted by the Upland Planning Commission in efforts to obtain favorable zoning for proposed development of a shopping center at the southwest corner of Arrow Hwy. and Mountain Ave., Bob Sherwood of D & T Investment Co. announced Tuesday afternoon he would be back at the next meeting armed with more information in support of his bid.

"They were definitely laying for me the other night," Sherwood charged. "Alpha Beta is doing an awfully good job of lobbying somewhere."

Alpha Beta spokesmen opposed a previous attempt by D & T to get a change of zone.

Sherwood indicated he would be ready with another presentation in support of a conditional use permit request and hoped "technicalities" wouldn't again be placed in his path.

Want Chance

"At least we ought to be given a chance," the spokesman for D & T continued. "We're willing to go along on the year's basis. If at the end of the year we haven't done something the land automatically reverts to residential use."

Chairman George Whitney quickly chopped off Sherwood's appearance last Thursday evening when he asked for data in support of the request for conditional use. Whitney read portions of the zoning code, listing need for population data to justify such a development.

When Sherwood stated he had only the precise plan for development, Whitney answered:

"I don't see how we can get off the ground."

Cites Earlier Data

Sherwood said he was under the impression statistics obtained by the Planning

SIGN PAINTER TO SELL SHOP, ENTER MINISTRY

First phase in realization of a life-long ambition will be accomplished Thursday by Vic Zarley when he turns over ownership of Cal-Western Advertising in Upland, then heads for the Midwest to begin a career in the ministry.

The 35 year old sign painter, a resident of Upland for four years, will enter Unity School of Christianity at Lees Summit, Mo. in September for three to four years of training.

"Sign painting has been an interesting work, but lately it has lost some of its attraction," says Zarley. "The teaching of Unity stresses practical application in one's own life. In applying it to mine, it was so fantastic I decided I'd like to teach it."

Both To Attend

Both Mr. and Mrs. Zarley will attend the school and work part-time. They will leave the city July 5 along with their two children, Karlan and Victor.

Zarley, who had lived in Phoenix before moving here, hasn't had any ministers in his immediate family, but his wife's father is a retired Nazarene minister in Portland, Ore.

The local man has been assisting at the Unity Church in Pomona.

Expresses Thanks

He expressed his thanks to friends and associates in Upland, remarking "I've enjoyed doing business here. The people have been real friendly."

Leander, his successor, previously owned a sign shop in Chicago for eight years. His wife, Joyce, and their one year old son, Kerry, will arrive Saturday to move into the home at 162 Elizabeth Lane previously occupied by the Zarleys.

There will be no change in name for the firm.

Check Want Ads For Movie Pass

Mt. Baldy C Of C Selects Wilcox As New President

Jack Wilcox was elected president, Sadee Wilcox vice president, Ruth Nelson secretary and Howard Pruitt treasurer at a meeting of the Mt. Baldy Chamber of Commerce board of directors Monday evening at Trout Ponds.

Plans for the special Mt. Baldy Day July 31 were outlined. Various events are scheduled throughout the Mt. Baldy area and each of the six resorts is planning special offers for the day.

Meet Postponed

Pot luck dinner of the Odd Fellows, scheduled for Tuesday, July 5, has been postponed one week until July 12 at 7 p.m.

Muscular Thief Gets Sand, Plaster In Residence Raid

Police sort of wondered last weekend if a well-muscled thief who visited a home under construction Saturday night wound up getting plastered.

They were told someone made off with seven or eight tons of sand and 24 bags of plaster from the house being built by F. G. Stringfellow of Riverside on First Ave. just south of 13th St.

Stringfellow reported to officers that the sand, priced at $2.10 per ton, and 60 bags of plaster had been delivered to that address Saturday morning.

The following day the sand and nearly half the plaster was missing. Tire tracks indicated someone used a trailer to haul the building supplies away.

Police theorized the suspect entered the alley between Foothill and 13th to handle the loading.

704 Enroll For Summer Class Work

An original enrollment of 704 was recorded at the Upland High School summer session which began a seven week schedule Monday morning.

This represented an increase of approximately 100 over the initial attendance last year.

Additional students during the remaining first days of classes were expected to be offset by drop-outs, according to school officials.

Start of classes marked a temporary interruption in summer vacation for these students who will continue their studies through Friday, August 12.

Sessions are held only in the forenoons.

JoAnn Dalla Rosa Selected Mayor For Girls State

Upland High School's representative at Girls State, JoAnn Dalla Rosa, was elected mayor of the mythical city of Sutter during the 17th annual session held last week on the University of California at Davis campus.

Daughter of Mrs. Victoria Dalla Rosa, 380 Elizabeth, she was one of 457 girls attending Girls State. She had been selected earlier for her qualifications in scholarship, leadership and an interest in government.

Dairy Employee Has Hand Injured At Upland Plant

An employee of Arrow Dairy underwent emergency surgery on his right hand at San Antonio Community Hospital last Friday afternoon after it became entangled in a rotating sprocket of a bottle filling machine.

Treated for a fractured thumb, severed tendons and lacerations was Larry P. Claeys, 420 E. Holt Blvd., Montclair.

He had been cleaning the machine when he accidentally pushed the starter switch.

COUNCIL ASKS SEWER STUDY

Decisions to proceed with an engineering study of the Mountain Ave. sewer line, delay for the moment installation of IBM equipment at City Hall and grant pay adjustments to 40 employees were reached during the course of final budget discussions by the City Council last Thursday afternoon.

After determining that the Mountain Ave. sewer project could be completed with reserve funds, if necessary, the Council, upon motion of Wm. Kistinger, unanimously adopted the $1,233,033 budget, including Water Department, and a $1.56 tax rate, one cent less than last year.

Councilmen are banking on increases in assessed valuation to more than offset expenditure of $106,885 more than in 1959-60.

City Manager Elwin Alder was instructed to hire a private engineering firm to immediately begin the sewer line study after he told councilmen the City's engineering department is already overburdened with regular day-to-day duties and studies in connection with the upcoming water project.

The engineers are to include the area from the Santa Fe right of way to Arrow Hwy. and from Mountain Ave. to Benson in their study.

In his motion Philip Holden said engineers should determine the most economic sewer service for the area, then report back to the Council as soon as possible. The report is expected within 60 days.

Kistinger had led the fight to include the studies on the agenda for the year, stating the sewer line appears a necessity to attract more industry.

Cost of the survey is expected to be in the neighbor-

OUR THOUGHT FOR JULY 4TH

"Is life so dear, or peace so sweet, as to be purchased at the price of chains and slavery? Forbid it, Almighty God! I know not what course others may take; but as for me, give me liberty, or give me death!"

Upland Resident On Bicycle Tour Through Europe

Carl Hartig, son of Mr. and Mrs. Carl Hartig, 2975 Euclid Ave., and a UCLA fraternity brother will pedal their way through Europe this summer.

The young men left New York June 20 on the first leg of a trip which includes a bicycle tour of the continent.

A 1955 graduate of Chaffey High School, Hartig received his BA degree from UCLA in 1959 and has just completed a tour with the US Army as a second lieutenant at Fort Benning and Fort Ord.

While at UCLA he was a member of Kappa Sigma social fraternity, Alpha Epsilon Rho national television and radio fraternity and Scabbard and Blade, national military honorary society.

Dump Hours Into Effect On Saturday

A resolution, incorporating the $6 domestic limited use pass previously adopted for sanitary disposal site operations and a 40 cents per cubic yard charge for industrial-commercial-institutional garbage, was adopted by City Councilmen at an adjourned session last Thursday afternoon.

Beginning July 1, the city dump will be open from 12 to 6 p.m. Wednesdays and Saturdays for the remainder of Pacific Daylight Time and from 12 to 4 p.m. those days when Standard Time returns next Fall.

Individuals purchasing the limited use passes from the City may dump acceptable refuse originating within the corporate limits during those hours.

The commercial- industrial limited use pass will be for the use of all merchants and other persons or institutions who maintain a fixed place of business or institution within the City.

Charge for these will be according to volume and will consist of 40 cents per cubic yard or fraction thereof. These passes will be avail-

Paulin Repeats Fireworks Ban

A second warning to Upland residents that the City and surrounding County and National Forest are off limits for fireworks was issued today by Fire Chief Howard Paulin.

Holiday Schedule

Observing its holiday schedule, the Upland Street Department will have only garbage pick-up next Monday, the Fourth of July. Trash will be collected the following day.

City Firemen Summoned Four Times

Firemen were kept busy Monday and early Tuesday as four alarms were sounded in the space of 15 hours.

First occurred at 2:21 p.m. Monday when weeds, brush and trash in vacant lots at the rear of 242 W. Euclid Cr. ignited. Local firemen battled the blaze for an hour and 15 minutes while standing by for the San Antonio Heights station which was out on another call.

At 4:20 p.m. volunteers rushed to the McCully Woodworking Shop, 1346 E. Ninth, when an electric motor ignited, but a sprinkler system extinguished the blaze before they arrived.

Another alarm sounded Monday evening while volunteers were attending a drill session. This time the interior of a two door sedan was destroyed while the car was parked on a lot at the San Antonio Community Hospital.

Tuesday morning at 5:10 a truck at the rear of the Euclid Ave. Orange Assn. caught fire. Driver Richard Gusman said it was caused by a short in the wiring.

QUEEN SIKIRIT of Thailand, president of the Thailand Red Cross, received a bouquet from Upland's Red Cross chapter during ceremonies Tuesday morning at Ontario International Airport. Shortly thereafter the King and Queen left on the Columbine III for Washington, D. C. and a visit with President Eisenhower. Civil Air Patrol cadets of the Old Baldy Squadron formed the honor guard and the King greeted each one personally as he passed through. While in California the royal couple stayed at the Henry Kearn Ranch in La Verne while many members of the party made the Uplander Motel their headquarters.

Thailand King Gets Haircut In Upland

The King of Thailand slipped quietly into an Upland barber shop for a haircut last Thursday morning, discussed his native country with Elmer Hershberger, then continued on to Stone Funeral Home where services were held for Vanabul Phitiyaken, 42, public relations officer who died of a heart attack the previous day at Disneyland.

Hershberger gave King Bhumibol a "regular feather edge American style haircut."

After inquiring of the Upland man how long he had been barbering, the touring King wanted to know if Hershberger knew anything about Thailand. The barber replied he had had an opportunity to look at films taken in the King's country by a friend of his.

Hershberger said the King, as well as his two aides, in chairs of Lee Schrock and Bill McLain at the Von's-Shopping Bag shopping center, spoke English very well.

A security officer remained inside, then helped whisk the party away.

The State Department threw a cloak of secrecy over the funeral services, asking the mortuary to withhold all information regarding the services in order to keep away curiosity seekers.

Republican Federation Meets Here

Importance of precinct work was stressed by Mrs. C. D. Acker, campaign and precinct chairman of the Southern Division California Federation of Republican Women when 100 San Bernardino County women met last Friday at the Stuft Shirt.

Tables were decorated with U.S. flags in all sizes while the head table displayed a large bouquet of red, white and blue flowers.

All precinct workers were honored in introductions by Mrs. Robert Walker, president. She introduced Mrs. Hans Warjone, County precinct chairman, and Mrs. C. T. Payton, chairman of the precinct committee for Chaffey Community Federated Republican Women.

Mrs. Acker warned those present never to take an election for granted, to present the case to the people and to rmember that no audience is too small to educate.

"Women voters will be a deciding factor in the November election," Mrs. Acker stated.

Mrs. R. Wiley Appel, new citizen chairman, was introduced and spoke briefly on the importance of Republican duty to become acquainted with their foreign born neighbors. Many are born in socialistic countries and sometimes need help and advice in judging our form of government, she said.

Mrs. William G. Schulze, president of the Chaffey club, presented A. J. Cray with a bronze elephant and an honorary life membership in appreciation of his many years service to the Republican party.

Prior to the meeting an executive board session was held in the home of Mrs. R. Fred Price, 1314 No. Euclid Ave.

Pugh Gets More Speech Awards At National Final

Mike Pugh, Upland H.S. Senior and next year's student body president, was awarded the second place sweepstakes silver medal in the field of poetry interpretation at the National Speech Finals which were held last week at the University of San Diego.

This was the highest speech award ever won by any Chaffey Union High School District student and was the peak achievement for the Citrus Belt Speech League, relates Barry Alexander, Upland High School speech coach.

In the competition which was attended by State winners from all over the United States, Pugh received certificate awards for his participation in dramatic interpretation and original oratory.

The contest was sponsored by the National Forensic League.

UPLAND RED CARPET

By Dottie Walters

In this day of space and speed it is refreshing to find an old fashioned practice such as Hospitality Hostess visits. In a friendly un-hurried manner the Hospitality Hostess welcomes newcomers to Upland. She brings gifts from our merchants and helpful civic information. Call Ly. 9-3166 and arrange for our hostess to greet your new neighbors.

During May we had the pleasure of calling on Mr. and Mrs. Naum Tvanoff. They are new neighbors from Masdonia.

Mr. and Mrs. Richard Thomas and daughter, Lynn Carol traveled here from New York, and we greet Mr. and Mrs. David A. Cates from Missouri.

Folks in Upland also roll out the Red Carpet for newcomers, Mr. and Mrs. Kenneth Standage and children from Monrovia, the Allen R. Swanson family from San Diego, Mr. and Mrs. Charles A. Lande and daughters from Ontario, and the Lambert Vandertuig family formerly of Chino.

Mr. and Mrs. William E. Lupton and daughters are new neighbors from Ontario, Mr. and Mrs. Roland D. Hanson and son are newcomers from Rialto, the John F. Budnik family last resided in Azusa and Mr. and Mrs. Odis R. Baker and Lesa are formerly of Ontario.

From Glendale we greet the Clinton J. Collison family. Mr. and Mrs. William N. Russell and son are new arrivals in Upland from Burbank Mr. and Mrs. Ray M. Shearer and Linda come to us from Ojai and the Edmund Blischke family is a welcome addition from Pasadena.

Arnold To Head Sponsor Phase

Ralph Arnold, president of the First National Bank of Ontario, has been named to a key campaign post for the West End United Fund.

In announcing the appointment, Ralph Osborn, general campaign chairman for the United Fund, stated; "we are indeed fortunate in securing Ralph Arnold as chairman for our United Fund sponsors' committee. Active leadership by men and women of Mr. Arnold's stature clearly demonstrates the belief citizens of the West End have in a federated campaign for health, welfare and youth services".

The sponsors' chairman and his committee will solicit personal contributions from West End residents who are capable of making a major individual gifts. Those invited to become sponsors will be a select list of individuals, chosen because of their position of leadership and responsibility in the community.

Florida Jury Gives Ex-Student Here Verdict Of Death

Former Upland High School student, Dennis Whitney, 17, was doomed to death in the electric chair after a Miami circuit court jury found the confessed slayer of seven guilty of first degree murder and failed to recommend mercy.

The conviction was the second against Whitney this one for the slaying of a gas station attendant.

Earlier a West Palm Beach, Fla., jury had found him guilty of killing a 62 year old grandmother in Florida, but recommended mercy and he was sentenced to life on that charge.

Whitney had made his home in Cucamonga.

Funeral arrangements were pending Tuesday at Stone Funeral Home for Harry J. Reading, Sr., 81, who died Monday in an Ontario rest home.

A retired builder, who lived at 123 East G St., Reading had been in ill health since August, 1958. He had lived in Upland for two years after coming here from Hawthorne and Elsinore.

Besides his widow, Ethel, he is survived by four sons, Harry Jr. of Upland, Ralph of Hawthorne, Philip of Redlands and Charles of Torrance; two sisters, Miss Ethel Reading and Mrs. Myrtle Haverty of Arnoldsburg, W. Va.; three brothers, Ray of Arnoldsburg, Carl of New Martinsville, W. Va. and Cecil of Oakland; 14 grandchildren and two great grandchildren.

He was affiliated with the Church of Christ at Elsinore and was an active member of the school board while in that community.

Violin Class Presented In Recital

Mrs. J. B. Swingle presented her violin students in a "Merit Award Recital" Saturday afternoon, June 25, at her home, 327 S. Euclid Ave.

Performing were Connie Lopat, Roger Duncan, Nadene Hanna, Joan Runyon, Michael Satterfield, Kristine Kellett, Michael Andrade, Connie Engle and Jonathan Wilson. Mrs. Swingle accompanied them at the piano.

Certificate of merit awards, provided by the California State Teachers Assn., were presented to those students who had completed this year's standard.

Receiving first year certificates were Arnold Lewis, Diane Futscher and Nadene Hanna. Second year honors were awarded to Joan Runyon, Michael Satterfield, Kristine Kellett and Michael Andrade while Connie Engle received a third year certificate and Jonathan Wilson a fourth year award.

In competitive scale contests winners were Nadene Hanna, Kristine Kellett, Connie Engle and Jonathan Wilson. Each was presented a small violin figurine.

A student present but not performing was Jeannette Doughty.

Assisting Mrs. Swingle with serving of refreshments was Mrs. Michael J. Hanna.

Police Seek More Clues In Kidnaping

No new leads had been reported Wednesday morning following investigation into the kidnaping last week of an Upland woman by a man posing as a police officer and wielding a red light.

The woman was returning from a meeting in Pomona, turned off the freeway at Euclid Ave. and after driving into the city pulled into the alley garage driveway at her home.

The car, which may have been following her for sometime, then blocked her entrance. The occupant got out, identified himself as a police officer and asked her for her operator's license, saying she had made an improper signal.

After remarking it seemed odd he wasn't in uniform, the victim produced an interim license. When he replied it was not a license, but a vehicle registration, the woman told police, she realized he wasn't an officer.

At this moment he struck her on the head. Stunned, she fell on the steering wheel and the horn started blowing.

The kidnaper pulled her from the car, dragged her to his own vehicle and drove away.

She remembers driving on the freeway at Fourth St.

The man suggested having relations with the woman, but after continued statements, pulled off the freeway at Euclid and freed her a block from her home. She was treated for bruises.

Firm To Try Again In July

(Continued from Page 1)

Commission two years ago, before commercial zoning was granted to Alpha Beta on the north side of Arrow, would apply to this case as well.

"Builders have told us they need such a center for further residential development in that area," Sherwood told commissioners.

Whitney replied: "In view of the fact there is already one spot zoned for a shopping center, Monarch (development firm allied with D & T) should have some figures to show this one is better or another one is needed. It would be my recommendation we put this off until the next meeting to give you time to bring in some economic data."

The hearing was continued.

"Some residents of the area who had come to support my bid told me afterward the session resembled a 'kangaroo court', Sherwood stated Tuesday.

In other business the Planning Commission approved an amendment to the general zoning plan which paves the way for urban development of citrus property north of 16th St. between Euclid and San Antonio Aves., but told petitioners who were seeking to include a 15,000 square foot recommendation that the question of size would be taken up at a future date when requests for zone changes are presented.

Speaking for the petitioners, representing all but one property owner in the affected area, John Andreas said their survey showed everyone favored 15,000 sq. ft. lots.

"When the time does come that agriculture goes out we would like to see 15,000 ft. lots, not 20,000," he stated.

"We're not talking about zoning now," said Whitney, who added the O-3 density figure would include either size.

Although the Commission took no further action, Lyle Stewart, planning consultant, dwelt at length on three studies showing comparative figures.

Under Plan A, with one small 15,000 sq. ft. parcel above 16th and the remainder 20,000, Stewart said ultimate development could bring a population of 1,620 and an assessed valuation at present rates of about $3,547,700.

Plan B, all 20,000 sq. ft. lots above 16th, would result in a population of 1,569 and valuation of $3,506,300 while Plan C, all 15,000 above 16th except the area adjacent to Euclid which is already 20,000 would bring a 1,887 population total and $3,713,300 in valuation.

The petition of the Foursquare Gospel Church, presented by Rev. D. H. Pluim, for a conditional use permit to allow construction of an educational building, was approved following a public hearing at which no protests were aired.

The commissioners also approved an amendment to the zoning ordinance to outline requirements for rear yards.

All-States Picnic, Fireworks Slated

The annual All-States picnic along Euclid Ave., giant parade with over 300 entries and a huge fireworks spectacular at 8 p.m. in the Chaffey High football stadium will mark Fourth of July festivities in Ontario next Monday.

Sponsors of the fireworks are the Christmas on Euclid Ave. Committee and Ontario downtown merchants. A capacity crowd of 5,000 is expected.

Legion Nine Fights Uphill Battle, 8-4

Their backs to the wall, after successive defeats by Ontario and San Bernardino Post 777, and down 4-0 after three innings against Fontana, Upland's Legion nine rallied for eight runs Sunday night at Memorial Park to stay in contention for District 25 honors.

They were scheduled to entertain Barstow Wednesday evening at 8, again at Memorial Park.

Young Relieves

Outstanding relief pitching by Bob Young and clutch hitting by Steve Morrison and Tom Solters brought the 8-4 comeback win and lofted the Highlanders into a second place tie with Fontana, each with 5-2 marks.

Young came on to rescue Lynn Rogalia in the third. He gave up a single to Roger Minniss which scored the visitors' fourth run, then twirled a shutout the rest of the way.

Three double plays by his infield made the task easier.

Pick Up Three

Meanwhile, the Highlanders got three in a hurry in the fifth when Solters spanked a bases loaded double.

They tied things up in the sixth. Bill Blanchard doubled to center, then came all the way home on a wild pitch.

The Holt Hardware nine got the four winning markers in the seventh. Ken More, Jim Lail and Solters drew walks and Morrison and Ken Walker followed with two-run singles.

SEVEN-UP GAINS TENTH STRAIGHT LEAGUE WIN

Past the halfway mark in the Foothill Little League season two red-hot races are developing. While the Seven-Ups are breezing toward the title, the contests are shaping up for second spot and cellar.

Jan Christensen's Ideal Homes entry and Ray Ketchum's Woman's Clubbers are neck and neck for the runnerup position with only six games remaining.

And Ralph's Rascals, managed by Bill Recker, are battling John Morgan's Western Moulding entry to escape the loop basement.

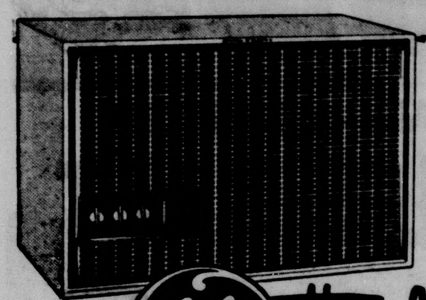

In the 12 games played during the past week there were outstanding pitching duels as well as some genuine slugfests. Seven - Up humbled Western Moulding by pounding out 19 runs on three homers by Dean Harmon, three hits each by Ken Whitten and Tom Martin and a pair by Don Wilcox.

Woman's Club won a thriller by edging Ralph's, 7-6, on the strength of a solo homer by Ricky Sharp.

Council Asks Sewer Study

(Continued from Page 1)

hood of $1,000.

The Council adopted the recommendations of the State Personnel Board on salary adjustments, which will affect about 55 percent of the total labor force, instead of giving a blanket increase to all employees.

A blanket raise would have left over half of the present workers' pay envelopes out of line with comparable wages in other cities, according to the report.

The adjustments, as authoried in a motion by Bob Marriott, would become effective July 1.

Before budget adoption, Kistinger said the Council very soon will have to face a "day of reckoning" on sewer lines or other matters.

Lists Alternatives

"Sooner or later we are going to have to use some reserves or up our tax rates," Kistinger said. "You can't go out and say 'let's get some industry' without some advance spending to get it."

He suggested the IBM system might be one item that could be delayed for a year.

The City Manager was instructed to continue operation with present office equipment and make no major expenditures for repair until the matter is reviewed by the Council.
